CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

LEARN about those living in poverty who are working to improve their communities. • **ACT** and spread the word about poverty by sharing this flier. • **CONNECT** with the work of CCHD by supporting the collection. • **PRAY** for those who benefit from this collection.

For more than 50 years, the Catholic Campaign for Human Development (CCHD) has supported organizations that combat poverty and improve the lives of people in communities across the United States. Not only do CCHD-funded organizations advocate with civic, business, and community religious leaders to improve access to affordable housing, job and educational opportunities, and rights for immigrants—they also respond quickly to urgent needs when communities experience emergencies.

An effective response to natural disasters begins with effective planning before disasters occur. In New Orleans and surrounding areas in southern Louisiana, CCHD is helping Together New Orleans develop a project called Community Lighthouse, which will equip 85 congregations and community organizations with commercial-scale solar power and backup battery storage. This effort will form a network of response centers ready to serve

communities in a hurricane or other natural disaster once the solar power equipment is completely installed. By using solar power and backup batteries, the response centers can continue operating in the event of power loss—but they will also be using clean, renewable energy rather than fossil fuels that contribute to climate change and pollution.

When you support CCHD, you help local communities across the country innovate and work together to solve their own unique challenges. Twenty-five percent of your contribution stays in your diocese to support the organizations addressing your community's needs for housing, jobs, and educational opportunities—and for keeping the lights on during a storm.

To learn more about the collection for the CCHD and the way CCHD upholds the moral and social teachings of the Catholic Church, visit www.usccb.org/cchd/collection.

2021-2022 GRANTS

Category	Dollars	Number of Grants
Community Development Grants	\$8,436,500	167
